STUNNING MEDITERRANEAN STYLE HOME IN MANSFIELD CATCHMENT

This property is one of the most beautiful examples of classic Mediterranean styling you'll find in Brisbane. Upon entering this home you'll feel as if you've been transported to a different country entirely thanks to its brick rendered interior, tiled flooring, light colour palette and beautiful archways. Inside you'll find multiple living spaces, including a large rumpus room, with the centre of the home featuring an open living space which enjoys full double story ceilings. The kitchen has been modernized but remains in keeping with the style of the house.

The bedrooms occupy the second level and they all enjoy an abundance of natural light and a spacious feel thanks to the hallways which overlook the first floor lounge. The second story also features a huge balcony, really its more like a patio! No other home we've listed can compare to this incredible piece of architecture and the experience that you feel while walking through its bright and airy interior. Do not miss the chance to experience it for yourself.
